WHERE TO WATCH
WWW.LACS.LU &
LACS YOUTUBE CHANNEL

TIME
8PM CT

This special 45-minute benefit concert replaces the Green Heart Gala as the LACS's only annual fundraiser. There is NO CHARGE to watch, but your online donations will help us attain our goal of meeting a matching challenge grant and keep our organization strong through this challenging time.

ZERO POINT FIVE

Zero Point Five is one of the most played bands on Luxembourg national television and radio stations. This high-energy act boasts an instrument repertoire including everything from banjos and mandolins to guitars and fiddles.

Its sound can be described as an explosion of musical flavors: pop, folk, Celtic and country with a Luxembourg twist; its music having been compared to Mumford and Sons and the Zac Brown band.
